BAS Digital Solutions

RFQ readiness checklist

A starting point for your free 30-minute call.

- [ ] Choose one recurring request type
- [ ] Identify intake emails and forms
- [ ] List part, quantity and material requirements
- [ ] Define the authoritative drawing and revision
- [ ] Capture the requested delivery date
- [ ] Plan for incomplete requests and duplicates
- [ ] Name the reviewer and approver
- [ ] Identify tools: ERP, Outlook, Teams or CRM
- [ ] Check access, storage and retention
- [ ] Prepare redacted sample requests
- [ ] Agree on scope, price and acceptance criteria
